Szanowni Klienci

SŁAWPOL istnieje od 1990 roku, jest dynamicznie rozwijającą się firmą specjalizującą się w produkcji wysokiej jakości frontów meblowych. Wzornictwo dostosowane jest do zmieniających się trendów rynkowych oraz oczekiwań najbardziej wymagających odbiorców. W naszej ofercie znajdziecie Państwo szeroką gamę frontów drewnianych, fornirowanych, z MDF-u oraz pozostałych elementów wykończeniowych. Realizujemy projekty nietypowe na indywidualne zamówienia Klientów.

Od początku istnienia naszej firmy głównym celem jest dążenie do usatysfakcjonowania naszych Klientów poprzez rzetelne podejście do każdego zamówienia. Długoletnia tradycja, doświadczenie i produkcja zgodna z normami jakości składa się na wyjątkowość oferty oraz zaufanie i zadowolenie naszych odbiorców. SŁAWPOL to gwarancja wykonania frontów wysokiej jakości. Nasi Klienci mogą mieć pewność że współpraca z nami jest właściwym wyborem. Życząc Państwu satysfakcji z dokonanych zamówień i realizacji zapraszamy do dalszej współpracy.

Dear Customers

Having existed since 1990, SŁAWPOL is a dynamically developing company specialising in the manufacture of high quality furniture fronts. Designs are adapted to changing market trends and expectations of the most demanding customers. Our offer includes a wide range of wooden, veneered and MDF fronts as well as other finishing elements. We implement non-standard projects for individual orders of Customers.

From the very beginning, our main goal has been to strive after satisfaction of our Customers through reliable approach to each order. Long tradition, experience and production in line with quality standards contribute to the uniqueness of our offer as well as the trust and satisfaction of our Customers. SŁAWPOL is the guarantee of high-quality fronts. Our Customers can be sure that the cooperation with us is the right choice. We wish you the satisfaction with completed orders and projects and are looking forward to continuing our cooperation.

DĄB

Dąb stosunkowo ciężkie i twarde drewno, ze względu na swoją odporność na ścieranie doskonale nadaje się do wyrobów frontów meblowych.

OAK

Oak is a relatively heavy and hard wood, and due to its abrasion resistance it is perfect for furniture fronts.

JESION

Jesion ma drewno bardzo sprężyste, można go poddawać operacjom gięcia. Obecnie z jego drewna wyrabia się okleiny do produkcji mebli.

ASH

Ash wood is very flexible and can be subjected to bending operations. At present, the wood is used for making veneers for furniture production.

OLCHA

Olsza jest drzewem liściastym, lekkim, miękkim i łatwym do obróbki. Znajduje zastosowanie w stolarstwie i w przemyśle sklejkowym. Wyjątkowo odporna na wilgoć, może wytrzymać w wodzie nawet 100 lat!

ALDER

Alder is a deciduous tree, which is light, soft and easy to process. It is used in the woodworking and plywood trade. Extremely resistant to moisture, it can withstand even 100 years in water!
